# About Us

Winmark Industries is proud to be at the forefront of architectural aluminium and glass field in and around **Goa since 1997**. We have since completed over **1000+ projects** with our excellent team providing the highest level of quality, service and security.

For the last **27+ years**, we have introduced high standard products from all over the world to Goa and it's neighbouring states. We customise our own products according to the project and client's needs. Thus, we have introduced entirely new sets of window and door profiles and shall continue to do so. Kindly allow us to take you through an architecturally aesthetical journey of our products, services and projects.

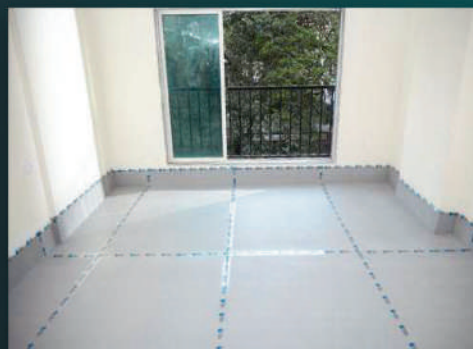

Zinc material can be used for Facades, Roofs and Interiors.

This security system is suited for Doors and windows, Barrier screens and Balustrade fencing systems.

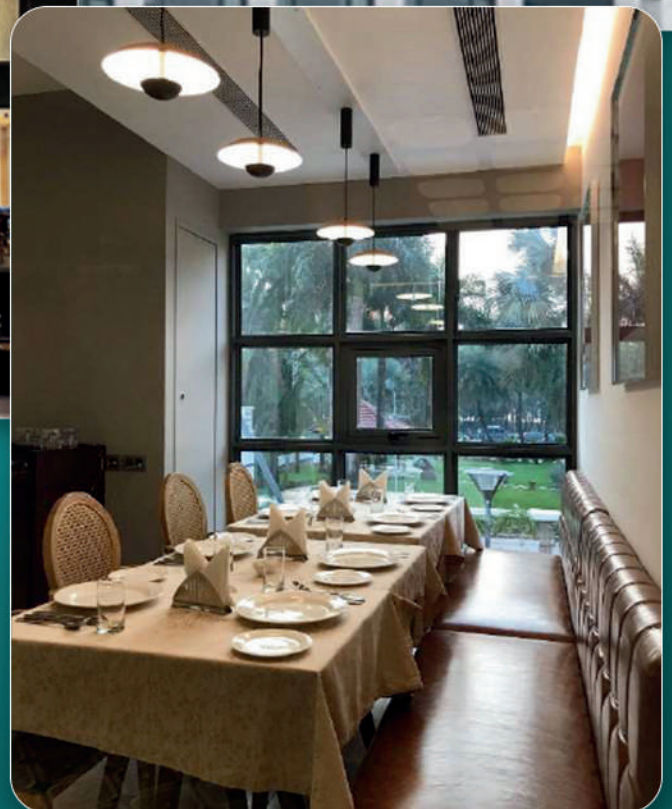

High-value membranes For all kind of tensile Architecture applications.

This multi-layer Protection sheet Prevents the tile Surface from Any damages during construction.
